**DETAILED ACTION**

1. This is in response to the Board's (BPAI) decision mailed 5/19/2009
2. Claims 1-2, 5-10, 12-19 are allowed. Claims 1, 9, 16 and 18 are independent claims and the rest are dependent claims.
3. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art of record, alone or combined, does neither anticipate nor renders obvious a method for manipulating electronic receipt comprising, inter alia, the steps as a whole of using a remotely stored electronic receipt in a data farm including a record of a purchase transaction to create an electronic list by selecting a line item from the electronic receipt, storing the created list on the remote data farm and authorizing a group of people to review the created list using a remote computing device.

The language and limitations of other independent claims 9, 16 and 18 are similar and are therefore analyzed and allowed on the basis of same rationale as set forth for claim 1 above. The dependent claims are allowed for the same reasons as set forth for claim 1 above.

The applicant's arguments in the Appeal brief filed 11/5/2007 (see pages 5-9) and Reply brief filed 2/20/2008 (see pages 3-10) are found persuasive as confirmed in the BPAI decision mailed 5/19/09 (see pages 13-16) that Kraemer (US Patent 6490602) and Ogasawara (US Patent 6327576), alone or combined, do not either anticipate or render obvious the steps as a whole of using a

remotely stored electronic receipt in a data farm including a record of a purchase transaction to create an electronic list by selecting a line item from the electronic receipt, storing the created list on the remote data farm and authorizing a group of people to review the created list using a remote computing device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
